Welcome Families

Thank you for your interest in our program. We look forward to an exciting 2026-27 season, and we would love for you to be a part of it!

ABOUT OUR PROGRAM

At Infinite Athletics, we believe cheerleading is about more than just what happens on the mat — it's about building confidence, friendships, and a supportive community for every athlete and family who walks through our doors.

Our program is committed to creating a positive environment where athletes are encouraged to work hard, grow their skills, and support one another as teammates. From our youngest athletes taking their first steps into cheer to our competitive teams preparing for the season, we focus on proper technique, teamwork, and celebrating progress at every level.

We are proud to be a family-centered program. Our athletes, coaches, and parents all play an important role in creating the culture that makes Infinite Athletics special. We encourage families to stay engaged, support their athletes, and enjoy the journey that comes with being part of a team.

Thank you for trusting us to be part of your athlete's cheer journey. We are excited for a season filled with growth, teamwork, and unforgettable memories.

Welcome to the Infinite Athletics family!

OFFSEASON DATES

Tryouts: May 13 & 15

Our tryout process is streamlined to make the experience quick, easy, and low-stress. Upon arrival, parents will need to fill out a tryout form. Athletes will begin their tryout process with a headshot to assist staff with recognition during the team placement process. After, athletes will be afforded an opportunity to stretch and warm up their skills on a full floor. During the evaluation itself, athletes will be expected to perform their highest level standing and running tumbling passes, jumps, and a motion sequence or dance. Athletes with no prior experience will be walked through the tryout process by a coach. Tryouts are closed to parents and spectators.

Callbacks (*NEW*): May 20

After your evaluation you will be asked to return on May 20th at a designated time for 1 hour. These callbacks are meant to determine your child's stunting level and ability before final team placements are made.

Parent Meetings: June 25 at 6:30PM

We will cover the gym policies, financial obligations, and other important program information. At least one adult per family, both new and returning, must attend a parent meeting prior to their athlete's participation in the program.

POLICIES AND EXPECTATIONS

Attendance Policy Given the collaborative nature of cheerleading, if even one athlete is missing, the entire team is compromised – stunts can't go up, formations are off, and the productivity of practice is severely diminished. Therefore, in fairness to the entire team, we will allow and excuse absences under only the following circumstances:

- **A required school activity that results in a grade.** This does not include a heavy homework load or studying for an exam - we expect all athletes to manage their time as necessary to fulfill their obligations to both schoolwork and cheerleading on a daily basis. Nor does it include, for example, the talent show, a play, a dance, or any other school activity that is optional.
- **Serious illness that is highly contagious and virulent, and/or vomiting.** Headaches, stomach aches, colds, etc., are NOT considered serious illnesses and are not reasons for absences. If your child is injured and cannot perform, we still require that the athlete will attend and support the team.
- **A religious observance involving the athlete or her/his immediate family.** This does not extend to observances for extended family or friends.

In fairness to the team, compliance with this policy is absolutely required. If your child has unexcused absences, she/he may not be allowed to compete at a future event. Excessive absences may result in being dismissed from the program per coach and owners discretion.

****Competition attendance is always mandatory****

Youth/High School Cheerleading Athletes are welcome to participate in both youth and high school cheer and our program. To the extent there are conflicts, athletes will be expected to make even concessions between the two commitments. Athletes should discuss their individual schedule with their coach to ensure conflicts can be reconciled and do not negatively impact the team. This applies to the Fall season only. Winter Cheer is not permitted.

Red Zone Red Zone refers to the week leading up to a competition. This is a critical preparation period and all practices during Red Zone are mandatory for every athlete.

Team Practice Policy Please remember: new skills will not be worked on during team practices. Team practice time is dedicated to perfecting routines and building consistency. Skill progression should take place during extra tumble classes or privates.

Extra Practices While our goal is always to ensure each team utilizes practices to their fullest potential, there are occasionally times when a team will need to be brought in for extra practice. These practices are scheduled to be as convenient as possible but require compromise from all families. Just like regularly scheduled practices, these are mandatory.

Late Policy

Athletes must arrive on time within 15 minutes of their scheduled practice start time. If an athlete is going to be late for any reason the coach must be notified. Please remember athletes can not be left unattended while we are coaching. Dropping off an athlete more than 15 minutes before practice start time is prohibited.

Social Media Policy and Communication

All parents and athletes reflect Infinite Athletics and Infinite Tumbling Academy, as such, must represent the gym in a manner consistent with our principles. To maintain our desired reputation, all parents and athletes must refrain from the following:

Speaking on behalf of Infinite Athletics and or ITA

Implying organizational endorsement of personal views

Disclosing program information

Engaging in negative conversations about athletes (IA, ITA or outside athletes) and parents

Behaving in a way that undermines the reputation or integrity of IA/ITA, or brings discredit upon the organization

We strive to provide easy access and clear communication via multiple platforms. Information will be disseminated through the following:

Band – This is the only official mode of communication and must be checked on a regular basis.

Facebook Group – This is a private group that will provide supplemental information, including reminders and Live videos.

Team Mom Group Chats – These are used for quick or imminent reminders, such as last-minute changes or meeting spots for competitions.

Based on team, there may be a team specific Band for athletes and coaches.

UNDER NO CIRCUMSTANCES SHOULD AN ATHLETE TEXT/CALL A COACHES PERSONAL CELL PHONE AND VICE VERSA.

Fundraising We know that cheerleading can be an expensive sport. To help offset costs and make the program more accessible to a greater number of people, we offer fundraising opportunities throughout the year. Proceeds from your fundraising efforts go directly to your personal account and may be used for the program cost of your choice. If your account is in arrears, fundraising proceeds will first be used to bring your account current. Any remaining amount may then be designated to the program cost of your choice. All families will be required to pay a booster fee of \$20 per athlete per season.
